End of grant report - Officer: Aoife Kiely

Section 1 - Report summary

Did the project terminate prematurely?

- ☐ Yes
☐ No

Please provide a lay summary of the outcomes, outputs and achievements made possible by this funding.

Please note your response may be used directly in impact reporting and/or communications, please do not include any sensitive information.

No Response

Were the original aims and objectives met or not met?

Please use this as an opportunity to explain any changes or new directions pursued during this grant activity.

No Response

Additional information

If you would like to upload any additional information, or if your grant was supported by a donor and we have shared additional questions with you, please upload them here.

No Response

Section 2 - Professional impact, staff and professional development

Please describe how this award has enabled you to develop your research programme and support your progression to the next stage of your career

Please describe how this award enabled you to develop your research and/or clinical career and support your progression to the next stage of your career. Please note responses may be directly used for communications relating to impact and this programme. Take care not to include anything confidential or commercially sensitive

No Response

Were any staff employed or students funded by this grant?

- ☐ Yes
☐ No

Professional development of staff funded

Please explain how the grant contributed to the professional development of the staff funded, and define any other staff groups mentioned in the above table. Please include details of any relevant training courses, conference presentations etc.

No Response

Section 3 - Leveraged funding

Was further funding leveraged using data derived from this grant?

- ☐ Yes
- ☐ No

Are you planning to use the data generated from this grant to apply for further funding?

- ☐ Yes
- ☐ No

Section 4 - Outputs and outcomes

Outputs

Please indicate how many of the following this grant has resulted in:

Published papers	Conference posters	Conference talks	Datasets	New algorithms/software applications	Patient/staff survey data
No Response	No Response	No Response	No Response	No Response	No Response

Publications arising from the project - report upload

We have shared a Dimensions report with you of your publications and have asked you to attribute the grant ID of this award to any relevant publications. **Please upload the amended report here.**

If any were missing or are currently unpublished that resulted from this grant, please use the following questions to provide details

No Response

Quantity of outputs arising from the project

Please use this table to indicate the number of outputs, by category, that have included data derived from this project

Number of accepted papers	Number of papers under review	Number of papers in preparation	Number of book chapters/books/monographs published
No Response	No Response	No Response	No Response

Additional published papers/chapters/books/monographs?

Please list any publications: papers/book chapters/ monographs which include data generated from this project but were not included in the dimensions report that we shared with you.

Please detail in the following order: Article Title; Journal; Year; Volume; Issue Number; Page Numbers and Author(s).

Or in the case of books, in the following order: Author(s); Chapter Title; Book Title, Publisher; Publication Year.

Please provide a link for each publication.

No Response

Accepted papers

We ask that you provide the details of any papers which include data derived from this project that have been accepted but are unpublished at time of reporting.

Please detail in the following order: Article Title; Journal; Year; Volume; Issue Number; Page Numbers and Author(s). Please provide a link for each publication.

We encourage award holders to publish articles resulting from Moorfields Eye Charity grant funding as open access.

No Response

If open access was not possible for any of the accepted papers listed above, please upload a copy of the paper PDF

No Response

Papers under review

We ask that you provide the details of any papers which include data derived from this project that are currently under review by a journal at time of reporting.

Please detail in the following order: Article Title; Journal; Year; Volume; Issue Number; Page Numbers and Author(s).

Please also provide the expected publication date.

No Response

Papers in preparation

We ask that you provide the details of any papers which include data derived from this project that are currently in preparation at time of reporting.

Please provide the following details: proposed title, proposed author list, target journal, expected publication date.

No Response

Outcomes

Describe the outcomes of the grant activity in terms of the broader long-term impact or changes as a result of the grant e.g. changes to service delivery, enhanced knowledge in the field/community, advancements in the field

No Response

What additional outputs or outcomes do you anticipate in the coming year?

Include, for example, conference presentations, leveraged funding, dissemination/participation activities etc.

No Response

Section 5 - Collaborations

New collaborations

Please tell us if research supported by this grant to date has resulted in any of the following types of collaboration. Please tick all that apply:

- ☐ Collaborations with commercial partners
- ☐ Collaborations with academic groups outside of this award
- ☐ Other
- ☐ None of the above

Please describe your selection(s)

For example include names of people or groups collaborated with, details of the activities that were or are collaborated on and indicate whether new activities or avenues of research have been inspired through this collaboration.

Please enter N/A if you had selected 'None of the above' to the previous question.

No Response

Section 6 - Public and patient involvement, engagement and participation

Public and patient involvement, engagement and participation

Did the development, execution or dissemination of this project involve public, patient involvement, engagement and/or participation at any stage?

- ☐ Yes
- ☐ No

Section 7 - Intellectual property

Have you engaged with/discussed this grant with a tech transfer office?

- ☐ Yes
- ☐ No

Has any intellectual property activity resulted directly from the research funded through this grant to date?

Please tick all that apply

- ☐ Patents
- ☐ Copyrights

- ☐ Protocols/ methods/ algorithms
- ☐ Datasets/databases
- ☐ Software/research resources
- ☐ Product licenses
- ☐ Other
- ☐ None of the above

Please provide details

Please provide details on all selections such as, patent number, patent owner and status of application if in progress, terms and details of copyright and any licences.

For datasets/databases, please also indicate whether these have been disseminated, where, and if so, was this in line with FAIR principles.

For selected software/research development, please also indicate whether this resource has been made available to other researchers and where.

For 'None of the above' please enter N/A

No Response

What is the expected IP/exploitation potential directly related to this work in the next 1, 5, 10 years?

No Response

Section 8 - Impact

How many people will benefit?

How many individuals from the following groups are likely to benefit from the results of this project/funding? Your response can refer to direct or immediate benefit and/or future or longer-term benefit.

The Research Community	Healthcare professionals	Current patients (Of MEH or elsewhere)	Future patients (Of MEH or elsewhere)	Policy makers	The broader public
<i>No Response</i>	<i>No Response</i>	<i>No Response</i>	<i>No Response</i>	<i>No Response</i>	<i>No Response</i>

If there are any other groups likely to benefit that haven't been covered in the table above, please provide details

No Response

Have there been any published communications related to this project?

This could include, for example, social media posts, blogs, web articles, and communications in press/media etc.

- ☐ Yes
- ☐ No

Section 9 - Animal use

Were animals used in this research?

- ☐ Yes
☐ No

Section 10 - Clinical trials

Did data from this project directly contribute to any phase of clinical trials?

- ☐ Phase 0
☐ Phase 1
☐ Phase 2
☐ Phase 3
☐ Phase 4
☐ Not applicable

Please enter the trial registration number and start date

For the start date please enter the date at which first participant was recruited.

Trial registration number	Start date
No Response	No Response

Section 11 - Next steps

Next steps

What are the next steps for this project or research?

No Response

Section 12 - Feedback/comments

Feedback/comments

Please share any feedback that you have for us on our funding schemes, grant making process, engagement support from Moorfields Eye Charity during your grant, or anything else that you would like to share with us.

No Response
